The weekly payment is due on Monday of each week, with the first weekly payment for the year due on May 30, 2022, and the last weekly payment for the year due on May 22, 2023. 100% fees are due for all ages regardless of days present or absent. The yearly tuition includes ALL fees. If a student is enrolled in our Year-Round program for the full 52 weeks, they will be eligible for 2 weeks of vacation upon approval. One week can be taken between Jun – Dec, and the other week can be taken between Jan – May. Vacation weeks will be prorated for students who aren't enrolled for the full 52 weeks. If a student withdraws mid-contract, they may be required to pay for the vacation weeks that they have already used.

**\*Please note: The only discount that will be given on the year-round tuition is the sibling discount.**

**Parents must set up an account with FACTS Management.** You can go online to sign up at <https://online.factsmgmt.com/signin/3SJJR>. The year-round students are required to join FACTS Tuition Management for their payments. When setting up your account, please select the **Year-Round Weekly Agreement Option**. If you have multiple students with one being a year-round student and the other being a school year student, you will need to set up separate agreements for each of them. You are not officially registered until your FACTS account has been set up. A yearly \$50 fee will be charged once your account has been finalized by the office. This fee is paid directly to FACTS.

**Returning Students FACTS accounts will be auto renewed with the same plan (weekly vs monthly) as the previous year.** If you would like to make changes to the plan or if your student is not returning, please contact the school office to make those changes at the time of registration.

Tuition payments will be auto drafted on Monday of each week. If the tuition auto draft is unsuccessful, a \$30.00 NSF fee will be charged from FACTS and a \$10.00 late fee per student will be added to your account from NHA and your student will be unable to return until all tuition and fees have been paid. **Subsequent late charges may be applied.**

Separate invoices will be sent through FACTS for incidental expenses not included in your payment plan balance. The incidental expenses will be for lunches and other incidentals that come up throughout the year. They will be billed as needed and you will be informed when an incidental is billed. These fees will be due on the 20th of each month, paid through FACTS.

**NHA will be closed for all national holidays and some days following a holiday (Thanksgiving and Christmas) and we may close early on select days. We will also be closed on election day in November and in observation of Good Friday.**
